SPORTEC×HEALTH&FITNESS JAPAN2020 Notice of postponement of exhibition

To whom it may concern

Thank you very much for your support for SPORTEC× HEALTH&FITNESS JAPAN.

The show management office of "SPORTEC × HEALTH & FITNESS JAPAN 2020", which was planned to be held at Tokyo Big Sight for three days from June 17th (Wednesday) to 19th (Friday), 2020, has both safety and operational aspects. We were building a perfect system and preparing for the event.

However, due to the recent announcement of an emergency situation throughout Japan due to the influence of the new coronavirus, exhibiting companies are delaying preparations for exhibitions such as booth production, lack of preparation period for attracting customers to exhibitions and seminars, and the sports and fitness industry officials and associations have received requests for a postponement after autumn when economic activities are expected to start in earnest, and as a result of comprehensively judging such a situation, SPORTEC show management office has decided to postpone the exhibition.

We would like to ask all stakeholders for their understanding that the SPORTEC Executive Committee decided to postpone it based on the above reasons and the determination to contribute further to the development of the industry.

After the postponement, the schedule is scheduled for September 2020 or later. We will keep an eye on the current situation and will announce it again on the website and e-mail news etc. as soon as the session and venue are confirmed.

We will continue to do our best to revitalize the sports and fitness industry. We ask for your continued support for this exhibition.

Thank you very much for your corporation.
