will be held at Tokyo Big Sight
from December 2nd (Wednesday) to 4th (Friday), 2020.

To whom it may concern,

Thank you very much for your all support for SPORTEC×HEALTH & FITNESS JAPAN.

The show management of "SPORTEC x HEALTH & FITNESS JAPAN 2020", which was scheduled to be held at Tokyo Big Sight for three days from June 17 (Wednesday) to 19 (Friday), 2020, has announced the postponement in consideration of various circumstances regarding the new coronavirus.

We have been making adjustments since this fall when economic activities are expected to start in earnest, and finally, we have decided the postponement date for the exhibition as follows.

Date : December 2nd (Wednesday) to 4th(Friday), 2020

Venue : AOMI Exhibition Hall, at Tokyo Big Sight

Address: 1-2-33 Aomi Koto-ku, Tokyo, 135-0064

(※ the same venue as at the time of June 2020)

We will build and hold a complete system in terms of safety and operation following the operation guidelines for the New Coronavirus Countermeasures Exhibition.

The Japanese market is gradually returning, and it is expected that economic activity will recover in earnest from the latter half of 2020. To all the people involved, we would like to cooperate with this exhibition for the opportunity to recover the sales lost due to the new coronavirus and to build a new future for the sports and fitness industry.

Thank you very much for your corporation.
